### **African Theology in Its Social Context - Bénézet Bujo ...**

African theology is engaged to shape Christianity in an African way by adapting and using African concepts and ideas. African theologians such as Bolaji Idowu, John Mbiti, and Kwesi Dickson have given an analysis and interpretation of the African traditional religion and point to its relation to the Christian faith.

### **African theology in its social context (Book, 1992 ...**

There is some tradition in the history of African (christian) theology and it's good that someone experienced as Bujo can recall us the African context of this discipline. Of course 'African' is to general to review all African traditions, but it may be a starting point for beginning theologians to renew the efforts of their predecessors in theology in the African continent.

### **The Theology of Inculturation and the African Church**

Theology and African Theology combined, and more. In content it will obviously transcend the present Christian theological and Christological considerations to include considerations of the theology of African religion, with all its relevant belief aspects and how they relate as well as contribute to Christian faith and theology.
