BITTER IS THE NEW BLACK by Jen Lancaster | Kirkus Reviews

While most of the earth's animals walk in fear of the bitter (in nature it is synonymous with poison), we humans fear not. Having evolved from the days of foraging berries and twigs in the woods, we are fully upright beings who now mix twigs and berries into bitter liqueurs or "medicinal" tonics.

This is a picture of my front door taken from my desk at work. I usually like being able to see everyone walking by, exchanging waves of hello with all of the people that work in the lawyers office next door as they scurry back and forth between their main office which is to the right of me and a secondary office/storage that is all the way at the end of the hall to the left of my office.
