Charles Murray's Coming Apart 71 "preach what they practice" and be less accepting of the pathologies of lower- middle-class American life, as a starting point toward reuniting the country around traditional values of work and family.

### Coming Apart: The State of White America, 1960-2010 ...

There is a divide growing in America, argues Charles Murray in his book "Coming Apart: The State of White America, 1960 - 2010" but it isn't necessarily just over money. In fact, the divide may be greater because it is cultural, I have friends who remind me, regularly, that wealth is becoming more and more concentrated among the wealthy.

### Coming Apart: The State of White America, 1960-2010 by ...

Charles Murray's Coming Apart: The State of White America, 1960-2010 is an important book that will have large influence. It is unfortunately not a good book—but its lack of merit in no way detracts from its importance. If anything, the book's flaws add to its power, by enhancing the book's appeal to the audience for whom it is intended.

### Andrew Gelman\* Charles Murray's Coming Apart and the ...

On March 2, 2017, Murray was scheduled to speak at Middlebury College in Middlebury, Vermont about Coming Apart: the State of White America, 1960-2010. Murray was invited to attend the College by Middlebury's American Enterprise Institute Club, who received co-sponsorship of the event from a professor in the political science department.

### Charles Murray Coming Apart

In Coming Apart, Charles Murray presents, and defends through an amazing amount of statistics, that America is coming apart at the seams. We are coming apart because "the American project has been historically based on industriousness, honesty, marriage, and religiosity" and the united culture in which the American project began is now a divided culture.

### Charles Murray Examines the White Working Class in 'Coming ...

Charles Murray's Coming Apart is a frustrating book, and not because it fails to resonate but because he identifies a real problem, then fails to convincingly document or explain it. Part of this is the limiting and confusing way he uses data to craft his story, and part is his unwillingness to look beyond individualistic explanations.
