Description: This is an intermediate-level book about interface and interaction design, structured as a pattern language.

### Preface to the Third Edition - Designing Interfaces, 3rd ...

Designing interfaces can be very difficult. The proof is the majority of applications that are hard or unpleasant to work with. Yet the author has no idea what designing interfaces takes. Tidwell only wings it by making up reasons why the Apple interface is great. Well the Apple interface is great and sales would prove it. And?
