Pro-Consult kan dog tilbyde reparation af alle Staefa Control moduler. Vi har mange års erfaring, og kan reparere alle typer klima og ventilations styresystemer.

Predator Fan Coil Unit Controller - LonWorks

I've inherited a building with some older Staefa stand alone controls and can't find anything on the web to help me decipher how they operate. I mean I get the gist, MA controller, min OA, DX Cooling. Since I can't find replacement controls without charging the customer a small fortune, I want to be proactive and find alternatives before they quit on me.

The INTEGRAL system has been phased out more than eight years ago. The service and supportperiod already stopped last year. It will be very difficult to maintain such installations in the coming years due to missing components and missing knowledge. We therefore recommend to migrate the system to the current Desigo system.
