The Peugeot 205 formed the basis of one of the great standard-setting hot hatches in the 1980s. Thornton describes each model in great detail and identifies year-by-year changes, as well as providing valuable information for inspecting and accurately assessing the cars condition and value prior to purchase. Comprehensive appendices cover technical specs, production numbers and performance figures.

When you need an owner's manual or service manual for your car, the last thing you want to do is spend hours digging for the right book. You don't need to tell us; we have been running an auto repair shop in Boulder Colorado for decades. In this article, we have tried to simplify the process of finding both types of manuals for your car.
