While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

An “Essentials” session is simply a directed conversation around
key passages of Scripture. Group members pray and consider
what the Scriptures say and how they apply to daily life. You
don’t need to be a Bible scholar to lead a session. Your role as a
leader is to guide the group in discovering truth together.
