Steel World is the first book of the Undying Mercenaries series. I, James McGill, was born in 2099 on the fringe of the galaxy. When Hegemony Financial denied my loan applications, I was kicked out of the university and I turned to the stars. My first campaign involved the invasion of a mineral-rich planet called Cancri-9, better known as Steel World. The attack didn't go well, and now Earth ...

Probably the best story of the Undying Mercenaries series, full of action, plot twists, action, revelations and more action. The character has matured and his behavior has changed, takes a more diplomatic approach in most cases, but deep down inside is the same James we all love and like to read about.
