As far as I could tell, Inside's length and width equaled a square with four levels. All constructed with sheet metal. Overall measurements, by my calculations—for reasons unknown Inside's exact dimensions and specifications were classified—were two thousand meters wide by two thousand meters long by twenty-five meters high.

Inside Out Insider 1 Maria

Maria Snyder's Study Series has been one of my long time favorites so I was excited to finally get around to reading Inside Out. This book ended up being far different from the Study series but I still enjoyed it. It's hard to say much about this one that isn't a spoiler. Inside Out is a dystopian story with a science fiction twist.
