Kingship And Commonweal Political Thought

The central question of the political thought in fifteenth- and sixteenth-century Scotland was the precise nature of the relationship between the king and the commonweal. But there is also another major theme running through most of the chapters: the usage of the past in political theories.

Roger A. Mason (Author of Kingship and the Commonweal)

This study aims to show that themes derived from classical humanism and from Italian humanist republicanism played a role in English political thought from the late Elizabethan period up to the Civil War.
