Lessons of the Masters is a 2004 book by George Steiner. It is part history, part analysis of the mentor-protégé relationship. From Socrates and Jesus to Husserl, Heidegger and Arendt, not leaving out Plotinus, Augustine, Shakespeare, Dante, Marlowe, Kepler, Wittgenstein, Nadia Boulanger and Simone Weil, Steiner shows how much is at stake in the passing on of wisdom and the risks involved.

from these masters? Achieving high performance through shared services: Lessons from the masters attempts to answer this question. Accenture undertook a global, cross-industry study of more than 275 executives with responsibility for shared services in their organizations to identify trends, priorities, issues and opportunities in shared services

Lessons From Chomsky Current Affairs

Then I was twelve years old, my grandmother, who was an artist and very dear to me, gave me a copy of Robert Beverly Hale's Drawing Lessons from the Great Masters. I had always loved drawing, but Hale's book changed everything. I spent the following years poring over the plates and explanations in Hale's book.
