Liberalism and the limits of justice. Abstract A liberal society seeks not to impose a single way of life, but to leave its citizens as free as possible to choose their own values and ends. It therefore must govern by principles of justice that do not presuppose any particular vision of the good life.

Michael Sandel, Liberalism and the limits of justice ...

Liberalism has provided both a necessary basis for modern democracy and also a constraint upon it. This duality makes a democratic critique of liberalism both imperative and also problematical, in so far as it threatens the conditions of liberal democracy itself.
