Regulations in EU. Little Pro on  
2017-02-14 Views: Update:2019-11-16.  
EU's definition of food contact materials  
is very broad. It includes both food  
package materials and any other  
materials and articles (i.e, coffee  
machine, some food processing  
machine) that are expected to come into  
contact with food under normal and  
foreseeable use conditions.
