Media Madness: Public Images of Mental Illness by Otto F ...

"Media Madness is a most timely, readable, and useful book, exposing, as it does, the myths about mental illness that most of us live by—myths that are as destructive as they are pervasive. Wahl is especially good at showing, in detail, the many ways in which false views of mental illness, purveyed in the media, shape the ways even the most enlightened of us view the world around us.
