principles of healthcare reimbursement Flashcards and ...

Third-party reimbursements can be used in any business, but are most common in the health care industry. The patient is the first party, the health care or service provider is the second party and the third party is an insurance company. Instead of requiring the patient to pay at the time the facility provides a ...

Principles of Healthcare Reimbursement 3rd Ed Chapter ...

In the episode-of-care payment method, the unit of payment is the epi- sode, not each individual health service. Therefore, the episode-of-care payment method eliminates individual fees or charges. The episode-of-care payment method is an attempt to correct perceived faults in the fee-for-service reimbursement method.
