I've just got a Tf125 and would like a manual for it. I can only find manuals for TS125s. Does anyone out there know if these bikes are the same, similar, or not related at all? I am not sure of the year. It was suggested it may be a 1997. The first letter after Tf125 is Y. Also, would anyone know if that reveals the year? Many thanks for your help.
