### **The Art of Character: Creating Memorable Characters for ...**

We are creating the artist not the art. At some point we need to stop seeing ourselves as creating art, but realize that we are instead creating ourselves as an artist. After all, why are we creating all of this art in the first place? We are confusing the process with the product.

### **Home | The Art of Manliness**

Designers recognize this as the destructive aspect of the creative process; it's a good thing. Some of the ideas you generate may require multiple scenes built across a few slides versus a snapshot on a single slide. On the other hand, sometimes it's as simple as using the perfect picture or diagram.

The best part of the book was the final chapter of ideas for making happy memories each month of the year, which included a link to the website, Action For Happiness. As someone who struggles to remember what happened last week (now I know why), I will make more of an effort to create lasting memories.
