In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

Fear Park: The First Scream or "Don't Give Teenagers Hatchets"  
While reading the first book in the mini-series "Fear Park" I came to realize I remembered this book to a frightening degree. Frightening in the sense that it's incredibly gory and scary (frightening, if you will) and in the sense that I could not believe how many details I remembered.

I absolutely loved it. I did find it a little misleading. The books description and cover makes you think there would be more amusement park in the story, but it mostly takes you back in time to 1935, showing the drama (and creepy, gory scenes) of what took place when the park was first in the works.

## **Fear Street - Book Series In Order**

New Fear Street (4 books): A continuation of the original series.;  
Fear Street Super Chillers (13 books): Its volumes were usually longer than the normal ones, but the variety of horror and plot in these didn't differ that much from the main ones. However, they did have a tendency to have their chapters titled, and the point-of-view would sometimes shift between characters.
