This book investigates what cannot be known.

"The Outer Limits" The Voice of Reason (TV Episode 1995 ...

Reason, wrote John Locke, 'must be our best judge and guide in every thing.' In so speaking, Locke epitomised a bright confidence in reason, widespread, which was born of the Enlightenment. More recently, however, such confidence has been lost as reason has revealed its own limits, one by one – not merely practical, but theoretical – limits which frequently would seem impassable.
