Full text of "The decay and the restoration of ...

Nihilism and God is dead. The statement, typically placed in quotation marks, accentuated the crisis that Nietzsche argued that Western culture must face and transcend in the wake of the irreparable dissolution of its traditional foundations, moored largely in classical Greek philosophy and Christianity.

The Law of Civilization and Decay: An Essay on History by ...

Cultural Decay Quotes. "Sick cultures show a complex of symptoms such as you have named...but a dying culture invariably exhibits personal rudeness. Lack of consideration for others in minor matters. A loss of politeness, of gentle manners, is more significant than is a riot." "Of the twenty-two civilizations that have appeared in history,...

Cultural Decay Quotes (17 quotes) - Goodreads

A civilization or civilisation (see English spelling differences) is any complex society characterized by urban development, social stratification imposed by a cultural elite, symbolic systems of communication (for example, writing systems), and a perceived separation from and domination over the natural environment.

The Philosophy of Civilization: The Decay & the ...

Not widely available in recent years, this edition will give contemporary readers the opportunity to discover his prophetic thought. In Book I, The Decay and Restoration of Civilization, Schweitzer argues that the essential feature of every culture is its world view, and that a culture can be healthy and stable only as its world view is optimistic and ethical.

Emil Cioran - Wikipedia

Spengler more-or-less considers a Culture to be the vigorous youth of a Culture-Civilization, and a Civilization to be the decaying old-age of a Culture-Civilization. Seems to me that Spengler has an overly romantic view of the Cultural phase, and an overly pessimistic one of the Civilizational phase.

13LightMessages: Preface - The Philosophy of Civilization ...

In Book I, The Decay and Restoration of Civilization, Schweitzer argues that the essential feature of every culture is its world view, and that a culture can be healthy and stable only as its world view is optimistic and ethical. Without this outlook, it is impossible to avoid the world's destruction.

The Philosophy of Civilization - Walmart.com

From the preface of volume one of The Philosophy of Civilization: Decay and Restoration of Civilization by Albert Schweitzer. Schweitzer begins by declaring that civilization is essentially ethical. As I understand him the essence of ethics is how we think about and treat one another and all manifestations of life.

THE DECAY AND THE RESTORATION OF CIVILIZATION

"The Decay and the Restoration of Civilization" is the first part of a complete philosophy of civilization with which I have been occupied since the year 1900. The second part, entitled "Civilization and Ethics" will appear immediately. The third is called "The World-View of Reverence for Life".
