Drivers who's age is greater then the state cutoff will usually have to renew their DMV license in person. The license of older drivers will also be valid for a shorter period of time compared to newer drivers. Some states will allow you to renew online or via email if some you have a valid reason for not being able to make it in person.

Counseling Older Drivers

Driving safety can be a sensitive issue for older drivers. A driver's license signifies more than the ability to drive a car; it's a symbol of freedom and self-sufficiency. If you find yourself in the position of talking to an older friend or family member about their driving, remember the following: Be respectful.
