The Social Contract (1970 book) - Wikipedia

The classic social-contract theorists of the 17th and 18th centuries— Thomas Hobbes (1588–1679), John Locke (1632–1704), and Jean-Jacques Rousseau (1712–78)—held that the social contract is the means by which civilized society, including government, arises from a historically or logically preexisting condition of stateless anarchy, or a " state of nature."

The Social Contract and Philosophy | Britannica

Social contract arguments typically posit that individuals have consented, either explicitly or tacitly, to surrender some of their freedoms and submit to the authority of the ruler or magistrate (or to the decision of a majority), in exchange for protection of their remaining rights. John Locke's version of social contract theory is striking in saying that the only right people give up in order to enter into civil society and its benefits is the right to punish other people for violating ...

Personal Health Responsibilities | Healthcare

Congruence is then an interpersonal construct based on a shared and collaborative understanding of the social contract. Consequently, behaviors that are congruent in one psychotherapeutic relationship (psychoanalytic) might be incongruent in another kind of psychotherapeutic relationship (client-centered).
