Walter Lorenzo Marr

Walter Durant Marr Walter Lorenzo Marr was an Automotive pioneer and talented engineer who worked with David Dunbar Buick perfecting the first Buick production automobiles. He worked with Mr. Buick a number of times around the turn of the century, building Buick's first two one-off vehicles.

SpeedReaders.info

Only one Marr Auto Car exists today. The car was designed by early automobile pioneer Walter L. Marr who had worked as an engine designer for Buick in 1901 and went on to be Chief Engineer there from 1904-1918. Automotive historians credit Marr and his advanced designs with the early success of Buick which was the foundation for General Motors.
